## **2021 Business Plan Gun-A-Noot Streetlighting (1439)**

*Charles Boulet, P.Eng.,  
Manager of Environmental Services*

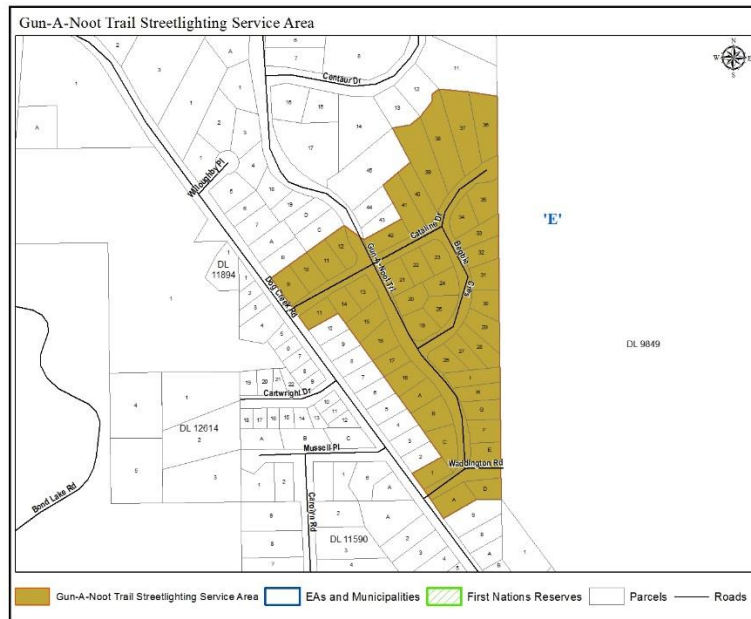

***Working in partnership with communities large and small to offer local, sub-regional and regional services to ensure that the Cariboo Chilcotin is a socially, economically and environmentally desirable region.***

---

### **Department/Function Services**

The Cariboo Regional District facilitates streetlighting for the residents in the Gun-A-Noot area as established by Bylaw No. 2681 (1992). Tax requisition is by way of parcel tax to 46 parcels and has a taxation limitation of the greater of \$2,536 or \$1.14/\$1,000 of assessed value of land and improvements. The local service area is illuminated by 16 streetlights.

As the Electoral Area E Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

## Business Plan Goals, Rationale & Strategies

No goals identified for 2021.

## Overall Financial Impact

The 2021 requisition has been increased in anticipation of BC Hydro switching to LED lights. Cost is expected to be \$1.57 per light per month.

## Significant Issues & Trends

In 2019, BC Hydro rates increased by 1.8%. It is anticipated that rates may increase by 5.2% over the next three years.

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter and has committed to continuing work towards carbon neutrality in respect of corporate operations.

## Measuring Previous Years Performance

No goals identified in 2020.
