## **2021 Business Plan Highway 26 Streetlighting (1443)**

*Charles Boulet, P.Eng.,  
Manager of Environmental Services*

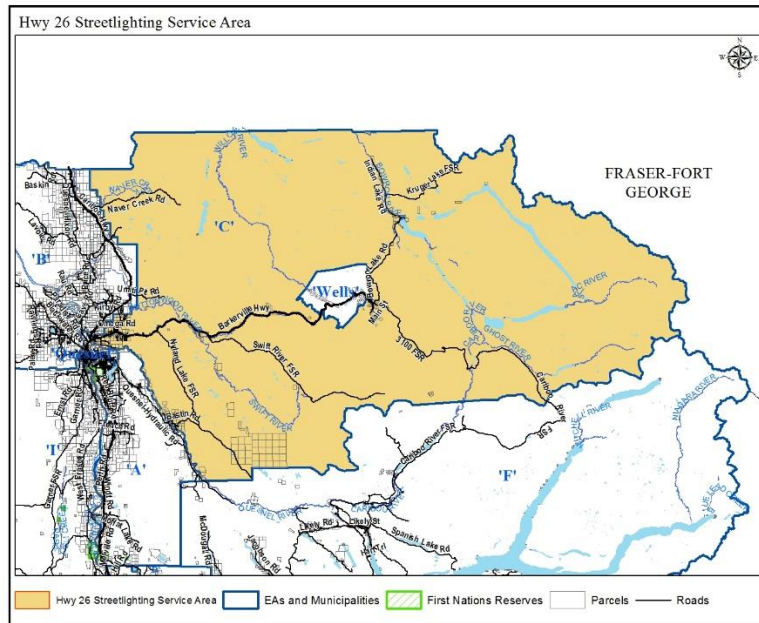

***Working in partnership with communities large and small to offer local, sub-regional and regional services to ensure that the Cariboo Chilcotin is a socially, economically and environmentally desirable region.***

---

### **Department/Function Services**

The Cariboo Regional District facilitates streetlighting for the residents in Electoral Area C as established by Bylaw No. 3911 in 2004. The taxation limit for this service is the greater of \$10,000 or \$0.190406/\$1,000 of assessed value of land and improvements. The local service area is illuminated by 30 streetlights.

As the Electoral Area C Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

## Business Plan Goals, Rationale & Strategies

No goals identified in 2021.

## Overall Financial Impact

The 2021 requisition has been increased in anticipation of BC Hydro switching to LED lights. Cost is expected to be \$1.57 per light per month.

## Significant Issues & Trends

In 2019, BC Hydro rates increased by 1.8%. It is anticipated that rates may increase by 5.2% per year over the next three years.

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter and has committed to continuing work towards carbon neutrality in respect of corporate operations.

## Measuring Previous Years Performance

No goals identified in 2020.
