Short Summary:

Application to Extend 103 Mile Water System

Voting:

Corporate Vote - Unweighted

Memorandum:

Property owners at 5606 103 Mile Lake Road have requested, through the attached application, that the water main from the 103 Mile water system be extended to service their property at Lot 3, District Lot 1111, Plant KAP30177, Lillooet Land District. This property is currently outside of the specified area; therefore, a boundary amendment bylaw will be required. The property owners are prepared to cover all costs associated with the historical water system capital development costs and extending the water main.

Attachments:

Application from property owners for the extension of a water utility, received November 4, 2020.

Financial Implications:

There are no financial implications.

Policy Implications:

All costs associated with the extension of the water service will be borne by the property owners, through the establishment of an appropriate legal agreement.

Alignment with Strategic Plan:

- Communication:** Facilitate communication strategies throughout the entire Cariboo Regional District that meet the needs of residents, community stakeholders, and other levels of government.
- Planning:** Intentionally plan services and activities of the CRD to prepare for future needs of residents and community stakeholders.
- Economic Sustainability:** Foster an environment to ensure the economic sustainability of CRD communities and the region.
- Governance:** Ensure that CRD governance policy and practices are intentional, transparent, and respectful.
