Please see this correspondence as a letter regarding the condition of the above-noted property.

Unsightly Premises Bylaw No. 4628, 2011 states:

3. UNTIDY AND UNSIGHTLY PREMISES:

- (a) It shall be unlawful for any person(s) being the owner(s) or occupier(s) of real property to allow such property to become or to remain untidy or unsightly.
- (b) Owners or occupiers of real property, or their agents, shall remove therefrom any accumulation of filth, discarded materials or rubbish or unsightly materials of any kind.
- (c) Owners or occupiers of real property, who are legally entitled in the course of the day-to-day operations of their businesses to accumulate dilapidated and unroadworthy vehicles, or parts thereof, other machinery or scrap materials, and where the property is appropriately zoned, shall conceal such accumulations behind a fence as defined in this bylaw.

A formal complaint was received and an inspection of your property was made on the 3rd of June 2020, at which time the Investigating Officer noted that your property was in violation of the Untidy & Unsightly Premises Bylaw.

The CRD is aware your property suffered a devastating fire last fall. However, the restoration of the property is long overdue.

The Investigating Officer noted that the property has multiple derelict vehicles, tires, various automotive parts and debris. The mobile home is destroyed beyond repair.

We are requesting that you remove the damaged mobile home and all debris, derelict vehicles and debris on your property and restore the entire property to conform with the bylaw.

Action on this complaint was delayed due to the COVID-19 travel restrictions. Phase 3 has been implemented which allows for relaxed self-isolation, making it possible for you to attend to this issue.

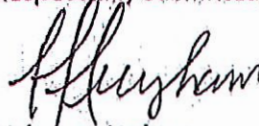

An inspection will take place on the 10th of August 2020 to ensure that compliance has been met, and the property is up to standards and in compliance with the Cariboo Regional District regulations and bylaw. Should you need to adjust the timeline to bring the property into compliance, please contact me to see what arrangements can be made to the timeline.

Follow up inspections of this property will be conducted every 2-week period to ensure compliance with the Unsightly Premises Bylaw No. 4628, 2011.

We trust that we can count on your cooperation so that additional action by Bylaw Enforcement will not be necessary. Failure to comply with this request could result in a minimum \$100.00 fine for every day your property is in violation.

Should you require further information about the Untidy & Unsightly Premises Bylaw, or if you would like to speak with the Investigating Officer, please call the Bylaw Enforcement Department at 250 392-3351. Thank you for your cooperation in this matter.

Respectfully Submitted,

Rick Cunningham
