AGM Meeting for the year 2020

Because of Covid 19, and on March, 22 / 2020 ( our approximate usual AGM date ) our AGM meeting was changed to E mailing our members and asking to appoint new executives as the standing President Ed Kelsey and Vice President Reynaldo Batalha were choosing to step down.

The new proposed executives as follows:

- 1= Marshall Gaudreault as new President
- 2= Dale Willis as new Vice President
- 3= Ed Kelsey as new Secretary Treasurer
- 4= Fred Seanger to remain as Range Master

As we had no response, these members became the new executives and were updated at the CIBC bank in 100 Mile House.

Minutes of our AGM meeting that took place at our range on June, 07 / 2020 with the following members and guests attending and assisting with our work bee's.

Marshall Gaudreault, Dale Willis, Ed Kelsey, Reynaldo Batalha, and three members

- A) Bank balance May, 01 / 2020 \$ 9,027.42
- B) Sent an email to our members for a work bee and to position our two 52' foot trailers together and make our new Clubhouse. This work was completed.
- C) A second work bee to remove two interior walls to make a larger space for our Club meetings. This work was completed.
- D) Dates were chosen for our bi-monthly trap shoots.
- E) Our goal is to also promote our shooting sport to the young generation and encourage families to attend our Trap Shoots and have the young ones practicing 22 caliber shooting.

End of meeting

Marshall Gaudreault  
Club President

## **Forest Grove & District Rod and Gun Club ( Established in 1935 )**

### Our new Clubhouse

September, 24 / 2020

The following is a list of miscellaneous works that would be required for the improvements to our Club and encourage families to come and participate in the shooting sport.

1 - As we now have a washroom facility c/w sink and toilet, we would need a new in ground holding tank as well as a new fresh water tank c/w pump. This would be the least expensive way to have a working washroom.

This is essential as it would be the best way to attract families to come and participate in our sport.

2- Misc. repairs to the interior walls and doors.

3- New outdoor deck complete with steps to enable us to have family gatherings and complete with a roof overhang to keep the sun and rain off. This deck could be done in phases as we can start with a 12' x 25' and add on later.

4- Three new door landings complete with steps to gain access to our Club and be an exit in the event of a fire situation.

5- Three new door lock deadbolts with matching keys as we will be storing misc. items like a Coffee maker, kettle for tea, Paper towels, toilet paper, pop, drinking water, tea, coffee, etc.

The major portion of the work will need to be done in part with some of our members and some of the work will need to be done through a contractor like the water system for our washroom facilities.

As we like to support our local businesses, all the materials used for these renovations and repairs are purchased locally.

In closing I would like mention that each and every time we are so blessed to receive some funds from the CRD we put ads in the free press and thanking the CRD  
As this is happening we always get some new members wanting to join our wonderful Club.

Marshall Gaudreault  
Club President

THURSDAY JULY, 09 / 2020

they had a riders fore they started riding

# on potholes

"How many others? Kai Tire must be doing great business."

Whoever is responsible for the Highway should have blocked off the lane until it was fixed, he says.

"The hole that blew the tire is about four to five inches deep and about 17 inches circular," he says. "I think the public should be aware of what all is going on."

When we went out to check on the potholes they had been patched as they have been multiple times so far this year. We've reached out to the Ministry of Transportation but didn't hear back by press time.
