SECTION 2: Planning Report

Background:

It is proposed to rezone a 4.15 ha (10.25 ac) rural residential property to subdivide into two separate residential lots and make more use of lake frontage. The subject property is currently zoned as Rural 1 (RR 1) in the South Cariboo Area Zoning Bylaw No. 3501, 1999.

The proposed lot sizes do not comply with the permitted lot size provisions under the current zoning of RR 1. Therefore, the applicant has requested to rezone the subject property as Rural 2 (RR 2) and Special Exception Lakeshore Residential 2 (RL 2-1) zones. The proposal includes a 2.17 ha (5.36 ac) RR 2 lot and a 1.75 ha (4.32 ac) RL 2-1 lot. The proposal is shown in Appendix C.

Location & Surroundings:

The subject property is located on Grossett Road with adjacent Otter Lake situated south of the property as shown in Appendix B. Currently, it is a vacant land covered in natural meadow with dense tree coverage. It is mostly surrounded by single-family dwellings to the east, vacant residential lots to the west, Otter Lake to the south, and crown land to the north of the subject property.

CRD Regulations and Policies:

3501-South Cariboo Area Zoning Bylaw, 1999

5.17.3 SPECIAL EXCEPTION LAKESHORE RESIDENTIAL 2 (RL 2-1) ZONE

5.17.3.1 ZONE PROVISIONS

(i) LOT AREA (minimum) = 1.2 hectares (2.97 acres)

5.19 RURAL 2 (RR 2) ZONE

5.19.2 ZONE PROVISIONS

(a) LOT AREA (minimum) = 2 hectares (4.94 acres)

Rationale for Recommendations:

Surrounded by similar land uses and lot sizes, the requested zoning amendment does not negatively affect the neighborhood. Further, the proposed lot sizes are created in compliance with the Ministry of Transportation and Infrastructure subdivision regulation of not including panhandle area to be a part of total lot size. Therefore, planning staff recommends approval of this application.

However, the applicant must comply with the CRD Shoreland Management Policy with respect to sewage disposal and riparian protection due to the presence of Otter Lake adjacent to the subject property. This will further ensure the ability of the proposed new lots to accommodate sustainable sewerage disposal field.

Recommendation:

- 1. That the Interlakes Area Official Community Plan Amendment Bylaw No. 5208, 2019 to redesignate Lot A, Plan KAP66042, District Lot 1472, Lillooet District from Rural Residential 1 to Rural Residential 2 and Lakeshore Residential be approved.
- 2. That the South Cariboo Area Zoning Amendment Bylaw No. 5209, 2019 to rezone Lot A, Plan KAP66042, District Lot 1472, Lillooet District from Rural 1 (RR 1) zone to Rural 2 (RR 2) and Special Exception Lakeshore Residential 2 (RL 2-1) zones be approved, subject to the following conditions:
 - i.) The applicant offering to enter into and entering into a covenant to ensure compliance with the CRD Shoreland Management Policy with respect to sewerage disposal and riparian protection.

Further, that the cost of registration of the Shoreland Management Policy covenant be borne by the applicant.

SECTION 3: Referral Comments

Health Authority: - May 6, 2019 and July 25, 2019 See comments attached.

Ministry of Transportation and Infrastructure: - May 10, 2019 and August 14, 2019

The Ministry of Transportation and Infrastructure has no objection in principle to the proposed application.

Please note the Ministry does not consider the area used as panhandle to be part of the total lot size. The panhandle could be reduced to 10 metres to allow better use of the property.

August 14/19

The Ministry of Transportation and Infrastructure has no objection in principle. Please note this in no way constitutes subdivision approval.

Advisory Planning Commission: July 18, 2019

Supported, see attached.

Ministry of Environment: -

<u>CRD Environmental Services Department:</u> - May 1, 2019 Interests unaffected by rezoning or OCP amendment application.
