Grant for Assistance Application – Central Cariboo

Please answer the following questions, using additional paper if necessary.

1. What plans has your organization made to fund its activities over the next 3-5 years?

All funds raised from the Lone Butte Rocks event are put towards the next year's event. We have donations of money and volunteer hours in kind to support this day. We sell Lone Butte Rocks t-shirts and shopping bags. All profits from these sales go towards the next year's event. We also ask for donations from the community at various gatherings. Our hall has also increased the number of private rentals over the last 3 years

2. If your organization charges user fees/memberships/admission, attach your current fee structure: Yearly membership to the community association is \$5/year per person.

3. What are your organization's specific goals and objectives for this year? How do they differ from previous years?

We will continue to offer our previous events such as Halloween, Lone Butte Rocks and a community Christmas Dinner. We have introduced an after school youth crafting club as well as evening teen yoga in order to help to bring more kids to the community hall as well as welcome new families to the community. We will also continue to work on our plan for a kitchen expansion to the hall itself.

4. Who does your organization serve?

Residents of Lone Butte and surrounding area as well as residents of 100 Mile House itself.

5. Does your organization receive a rental subsidy from the City and/or CRD? If so, how much? No we do not

6. Does your organization receive any benefit from permissive tax exemption, and if so, how much? (information available from City Tax Department) 100%

7. Does your organization use City or CRD owned facilities? If so, which ones? No

8. How will you indicate that the CRD is contributing to your organization?

Your organization will receive a thank you letter, copies of certificates of appreciation that are also posted in the community hall.

Project Summary Sheet

Please answer the following questions, using additional paper if necessary.

1. Brief Description of Proposed Use of Grant Being Applied For:
-
-

We are asking for funds to purchase both a riding lawn tractor and a push lawn mower.

2. How do you know there is a need for this service/project in our community?

By having our own gardening equipment, the community association will be able to save some funds. Currently we pay a student from the community to maintain the grounds. Part of this funding includes the student providing the equipment. By having our own equipment we may be able to have volunteers doing the work. Alternatively, the costs to pay a student would decrease do to no equipment needs.

3. Is your agency applying for funds from other levels of government or other sources for this project?

no.

4. Would you still be able to complete the project if you do not receive the other funds applied for?

no

5. Please describe the impact of this application being denied or approval of an amount less than requested.

Our community association has made great strides in improving the appearance of the hall grounds over the last several years. Having the equipment available only improves this ability. Without this funding we would not be able to purchase the equipment.

Grant for Assistance Application – Central Cariboo

6. Start date of the project: 2020-01-01

End date for the project: 2020-12-31

7. Please describe the key activities that will take place to complete the project and any associated timelines.

Purchase of gardening equipment. To be purchased as soon as funding is available.

8. Please provide a detailed financial budget for the project.

9. Please explain how you will measure and evaluate the impact of this project on the community? How will you determine if it was successful?

This proposal is unique in that it does not directly correlate to any one event or function. The more the community association is able to keep our grounds and facility looking great, the more opportunity we have to promote our association to the surrounding community.

THE INFORMATION INCLUDED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

Lone Butte, Horse Lake Community Association
2018 – Grant for Assistance Final Report

The Lone Butte, Horse Lake Community Association applied for, and received, \$3000 which was used to purchase outdoor rated, portable, battery operated lights.

These lights are used to augment our outdoor activities such as Halloween and First night. They allow us to host evening events that we were not able to do prior as there is not suitable outdoor lighting on the community hall grounds.

The Lone Butte, Horse Lake Community Association is grateful to the Cariboo Regional District for all of the support offered to our association and looks forward to many years to come working in partnership with the CRD.

Thank you once again for your support to our association.
