Committee:

Re: 2018/2019 Grant for Assistance

Please be advised that last year we were approved for \$2000.00 to assist the 100 Mile House "Citizens Patrol" (COP). The funds were utilized for the maintenance of communication equipment, administration costs, purchase of appropriate license, provided training for the volunteers, and absorbed Fuel costs for participants.

Sincerely,

A black rectangular redaction box covering the signature of Ken Tassell.

Ken Tassell  
Chair

Thank you very much for your consideration in this matter.

The money we request is targeted for the 100 Mile House Citizens on Patrol (COP) group of 21 members who patrol their area at night in conjunction with the RCMP who identify trouble spots in the community on a weekly basis. These night patrols are conducted as a team in one private vehicle for sometimes extended hours. The money goes directly to the members conducting patrols to off set the cost of their fuel.

Each year of operation is celebrated with an Annual Gathering where all our partners are recognized and thanked for their continued support which has been very active in this community since 1996. All members of the COP are very aware of the origin of the funding and when asked by the public they inform them accordingly.

Appreciated.
