**Project Summary Sheet**

Please answer the following questions, using additional paper if necessary.

1. Brief Description of Proposed Use of Grant Being Applied For:

Due to overcrowding of the Community for Remembrance Day event, we would erect a large tent to house community members coming to the event that day, and also use CCTV to show the event outside.

2. How do you know there is a need for this service/project in our community?

The 100 Mile House Fire Chief, Roger Hollander advised the Legion to make arrangements to correct the overcrowding problem for Remembrance Day event as he couldn't overlook this in the event there was a problem.

3. Is your agency applying for funds from other levels of government or other sources for this project?

No

4. Would you still be able to complete the project if you do not receive the other funds applied for?

Would be most difficult and a heavy financial burden to the Legion.

5. Please describe the impact of this application being denied or approval of an amount less than requested.

If the Grant is denied, or there is a lesser amount given, it would be very upsetting to the Community not to have the Legion celebrate Remembrance Day .

6. Start date of the project: November 11, 2020

End date for the project: November 11, 2020

## Grant for Assistance Application

---

7. Please describe the key activities that will take place to complete the project and any associated timelines.

The Legion would contact Dricos Entertainment for the CCTV service, and A&B Photo to rent a tent for the event. Both costs are approximately \$600 each, for a total of \$1,200.00

---

8. Please provide a detailed financial budget for the project.
9. Please explain how you will measure and evaluate the impact of this project on the community? How will you determine if it was successful?

I think the numbers attending the event will tell the success, and certainly those persons whom are protected from the weather with the use of the tent.
