Re: 2021 Grant for Assistance

Attn: Al Richmond

On behalf of the Cariboo Pioneer Center OAPO #176, I would like to sincerely thank you for the \$1000 Grant we received this month.

Normally our Hall is used regularly for fitness classes, TOPS and other meetings, Blue Grass Jam Sessions and other music events, Crib Tournaments, Card and Pool games, Seasonal dinners and fundraisers, Memorials, and a multitude of other events needed, and enjoyed, by our community. For the past year we have been able to use it very little, and therefore have generated very little income. We understand that grants are not normally given to cover general operating expenses but without it we would suffer a hardship to pay the upcoming Insurance bill of approximately \$3000 plus, and without insurance we couldn't have social events. We look forward to having a "Welcome Back" Community BBQ or Potluck and resuming some of our activities, as allowed.

We will be expressing our gratitude to all our supporters via the local paper once we resume our monthly meetings. We can't thank you enough, and also for all you do in our area.

Sincerely,

Judy Sutton, Secretary for

Lac La Hache Old Age Pensioners Organization #176
