End date for the project: _____

see attached

3. How will you indicate that the CRD is contributing to your organization?:

see attached

**THE INFORMATION INCLUDED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF
MY KNOWLEDGE.**

President/Chairperson

Grant for Assistance Application - Year Round Intake for Grants of \$1,000.00 and Under

1. Brief Description of Proposed Use of Grant Being Applied for:

Damage occurred to the Deka Lake and District Ratepayers Association Community Board and Advertising Board located on Mahood Lake Road, just off Horse Lake Road. Attempt to find out who damaged the board was not successful. The grant will cover the cost of restoring the board to its original size. Repair of the 12 foot 6 by 6's, Cork Board, Plywood, Machinery to dig out the broken pieces and to install new 6 X 6's. While this work is being done, will also upgrade the Board by building a roof over it in order to protect the board as well as make it more visible for those who turn around at that location.

Project to repair damage without additional upgrade cost is over \$1000.00 which would include, plywood, donnacona board, beams, bolts, screws, machinery. A detailed breakdown can be supplied upon request. Cost of lumber is continuously rising so costs will increase as we lead further into 2021.

2. Start date of Project: Hopefully, May of 2021 pending weather.

End date of Project: Hopefully project will take only a couple of weeks but pending the start, project will be completed no later than fall of 2021.

3. How will you indicate the CRD is contributing to your organization?:

Will post on the Deka Lake and District Ratepayers website: dekalake-district.ca as well as in our local newsletter.
