

Funding Opportunity

Date:	UPDATED January 6, 2021
Funding Program:	COVID Safe Restart funding
Broad purposes as stated in the funding program description:	To provide relief for unforeseen costs to local governments associated with the COVID-19 situation.
Proposal:	Allocate up to \$108,000 to support 27 rural community halls across the region by replacing some of their lost revenue due to lack of facility rentals and fundraising opportunities. This would amount to a basic \$4,000 per hall without requiring proof of lost revenue or collecting current revenue and expense information.
What service will this application benefit?	All Regional District community hall contribution services as well as halls that are not included in an existing function.
Who are the service participants?	All rural residents of the Regional District.
Are we ready to proceed?	Yes.
Does the proposal fit within the Board's Strategic Plan or the annual Business Plan?	<p>This proposal is aligned with Board's strategic objective to <i>Foster an environment to ensure the economic sustainability of CRD communities and the region.</i></p> <p>The proposal is not identified as a specific Business Plan goal as the revenue loss to community halls was not known at the time of 2020 business plan development.</p>
What are the capital implications of the proposal?	None.
What are the short, medium and long term operations implications of the proposal?	None. It is expected that this will be a one-time contribution for COVID relief funding to the halls.

Are there implications to property taxation for the service?	None.
Does the proposal clearly fit in the guidelines of the funding program?	Yes.

Rural Community Halls
Rental Revenue Replacement Funding from COVID-19 Safe Restart Funding

Below is the list of halls recommended for lost rental revenue replacement support. The list is limited to rural community hall facilities operated by non-profit societies that are made available for general public use. Not included are clubhouse-style facilities owned by member organizations, such as sporting associations. The initial support proposal had a two-tiered big hall, small hall funding amount of either \$5000 or \$2500; however in order to expedite the process it is now recommended that the rate be set at a simple \$4,000 per hall and the total amount of Restart is close to the same.
