Cariboo Regional District
Suite D – 180 North 3rd Avenue
Williams Lake, B.C.
V2G 2A4

Dear Directors;

On behalf of the 100 Mile House Curling Club, I would like to thank you for your continued support. Your support and the hard work of our volunteers allow us to provide an affordable recreation opportunity to all the people of the South Cariboo. I would also like to thank Darron Campbell and Josh Dickerson and the staff at the South Cariboo Recreation Center. Their cooperation plays an essential part in the successful operation of our club.

I have included with this letter a copy of our five-year plan and a report on our activities and achievements for the 2020 – 2021 curling season. The five-year plan is designed to maintain our goal of spending excess revenue on the maintenance and improvement of the curling rink while continuing to maintain a solid financial position. With this objective in mind, we have put our five-year plan on hold until we know if and/or when and under what conditions we will be allowed to return to curling. We curled for eight weeks in October, November and December of 2020. If we are able to return to curling for a full season and our support remains stable, we would like to proceed with the water treatment project indicated in our five-year plan. Installing a water treatment system is now cost effective as the new deep well water supply requires more treatment reducing the payback time

on a new system to under eight years. Our current system uses tanks that must be sent away for servicing twice a year. The previous surface water required the tanks to be serviced once every two years. If you are able to share a portion of the cost of the new system, it would enable the club to proceed earlier than currently planned. The club would like to request that an inspection of the decorative masonry blocks near the main entrance be made. It appears that some of the blocks are coming loose and beginning to fall away from the main structure.

The 100 Mile House Curling Club is looking forward to being able to return to curling in the fall of 2021 in cooperation with the Cariboo Regional District. We will, of course follow whatever guidelines are set by the Cariboo Regional District and the Provincial Health Officer.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gordon Smith', with a stylized flourish at the end.

2020 - 2021 SUMMARY OF CLUB ACTIVITIES & ACHIEVEMENTS

MEMBERSHIP

	2018/19	2019/2020	2020/21 C-19
Members	94	84	92
Average Age	57.04	58.2	59.21
Total Teams	36	32	40
Mixed	12	10	6
Men's	8	8	9
Ladies'	8	8	5
Doubles	8	6	16
Sunday	-	-	4

NOTE 1: Lac La Hache below have not been members in prior years. This year that league became a 100 Mile league

NOTE 2: Most of our young curlers stopped curling due to mask mandates. We had 105 members, but 13 very young people didn't curl due to required masks. That would have also lowered our average age

BONSPIELS - Teams

Total	46	63	0
Mixed	14	14	0
Men's	15	18	0
Ladies'	17	16	0
Doubles		15	0

JUNIOR

Curlers	20	20	0
Students	246	94	0

DROP-IN – stopped Dec 3rd, 2020

Wed – Individual	436	368	108
Wed – Curlers	45	35	25

Mon – Individual	42	91	22
Mon – Curlers	30	37	12

Lac La Hache – Now Sunday League

Curlers	21	20	Moved to leagues

OTHER INFORMATION

Events

No events took place due to Covid – 19 restrictions.

Officiating

No training of officials took place.

Sponsorship

Steady but changing

Capital Purchases and Improvements

The five-year plan was put on hold due to the negative impact an early end to curling would create. We did rebuild our shoe cleaner and the storage reel for the hose used to flood the ice. We sold one set of rocks and some old random rocks.
