**RE: Bylaw Request – Quesnel Long-Term Care Business Plan**

Dear Mr. Erickson:

The Ministry of Health (MOH) has established notional funding for Long-Term Care Renewal and Expansion Projects. As such, MOH has provided Northern Health with formal approval to proceed with a Business Plan for new and replacement Long-Term Care and Dementia Care beds in Quesnel.

We are asking that the Cariboo-Chilcotin Regional Hospital District (CCRHD) fund 100% of the planning costs, with the understanding that those funds will be applied to the CCRHD's 40% share of the total project.

As such, Northern Health would like to formally request a bylaw in the amount of \$900,000 for the Quesnel Long-Term Care Business Plan.

Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,

Deb Taylor, HB.Comm, CPA, CGA
