Darron Campbell, Manager of Community Services

Working in partnership with communities large and small to offer local, sub-regional, and regional services to ensure that the Cariboo Chilcotin is a socially, economically, and environmentally desirable region.

Department/Function Services

The Central Cariboo Victim Services function was established in 2002 through Bylaw No. 3781 and amended in 2008 through Bylaw No. 4421. The service is provided by means of a contract under the Memorandum of Understanding with the City of Williams Lake (January 1, 2020 – December 31, 2022) to operate a Victim Services Unit in the Williams Lake RCMP Detachment. A three-year agreement was also entered into with the Punky Lake Wilderness Society and the Alexis Creek Victim Services Program (January 1, 2020 - December 31, 2022) to support administrative coordination for the victim services program based out of the Alexis Creek RCMP detachment.

Electoral Areas D, E, F, J and K participate in the service and are taxed based on the assessed value of land and improvements. The maximum requisition was increased in 2008 to the greater of \$22,000 or \$0.0162/\$1,000.

The Directors for Electoral Areas D, E, F, J and K are responsible for the governance of this service.
