Planning Department, To Whom It May Concern:

We, SCS Contracting, are requesting an extension on our variance application for 1653 Beach Crescent. The home next door at 1629 Beach Crescent remains in probate and therefore the executor cannot sign any legal documentation for the water easement until the home is out of probate. We expect this to be done soon but we still would not have the proper documentation before the October 1st meeting.

If you require any further information, please contact me by email or phone below.

Thank you,
