**RE: Bylaw Request 2021 – Core Network Replacement**

Dear Mr. Erickson,

Northern Health would like to formally request funding of \$14,804 for the Cariboo Chilcotin Regional Hospital District's (CCRHD) share of the Core Network Replacement project.

The purpose of this project is to replace essential core network equipment while reducing risk of unauthorized access to resources. This includes refresh of the core network and wireless control system and enhancing network controls to secure access.

The Regional Hospital Districts are funding 40% of this project. The CCRHD's share of this project is 3.9% of the RHD contribution, and was calculated using the 2019 BC Population statistics.

Total Budget	\$	949,000
Funded by Regional Hospital Districts (40%)	\$	379,600
Cariboo Chilcotin Portion (3.9%)	\$	14,804

I've attached the Capital Project Approval Form (CPAF) for your information. Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.
