# GRANTS FOR ASSISTANCE APPLICATION

## South Cariboo and District of 100 Mile House Electoral Areas G, H, and L

Please answer the following questions, using additional paper if necessary.

1. What plans has your organization made to fund its activities over the next 3-5 years?

---

---

---

2. If your organization charges user fees/memberships/admission, attach your current fee structure.

3. What are your organization's specific goals and objectives for this year? How do they differ from previous years?

---

---

---

4. Who does your organization serve?

---

5. Does your organization receive a rental subsidy from the CRD? If so, how much?

---

6. Does your organization receive any benefit from permissive tax exemption, and if so, how much?

---

7. Does your organization use CRD owned facilities? If so, which ones?

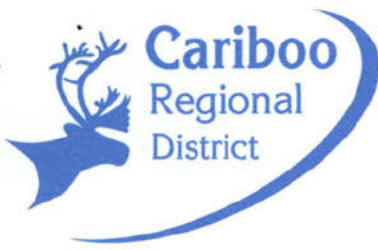

---

8. How will you indicate that the CRD is contributing to your organization?

---

---

---

# GRANTS FOR ASSISTANCE APPLICATION

South Cariboo and District of 100 Mile House  
Electoral Areas G, H, and L

## Project Summary Sheet

Please answer the following questions, using additional paper if necessary.

1. Brief description of proposed use of Grant being applied for:

The funds we receive will help us in building a safety berm between the target and trap shooting bays.

---

---

---

---

---

2. How do you know there is a need for this service/project in our community?

We feel it is a necessary safety requirement for the range. We are experiencing an influx of new members who are also new to the sport of shooting. This safety berm would alleviate any potential problems for accidental unsafe firearm handling.

---

---

---

3. Is your agency applying for funds from other levels of government or other sources for this project?

No

---

4. Would you still be able to complete the project if you do not receive the other funds applied for?

Partially

---

5. Please describe the impact of this application being denied or approval of an amount less than requested.

It would create a deficit in our safety protocols.

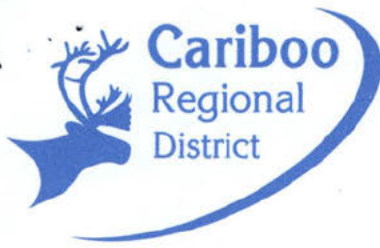

---

---

---

---

# GRANTS FOR ASSISTANCE APPLICATION

South Cariboo and District of 100 Mile House  
Electoral Areas G, H, and L

6. Start date of the project: May, 2022  
End date for the project: June, 2022

7. Please describe the key activities that will take place to complete the project and any associated timelines.  
We will be doing some tree removal and then move the earth under the current treed area to the ~~location of the safety berm and place it in a 15 foot tall by 30 foot wide at the base to 3 foot wide on top~~ by 75 foot long berm. After this is completed the berm will be seeded to prevent erosion. This will take approximately 10 days.

8. Please provide a detailed financial budget for the project.
9. Please explain how you will measure and evaluate the impact of this project on the community?  
How will you determine if it was successful?

The impact on the community will be measured in the increase in interest in the club. We will ~~determine the successful impact by the new members we have sign up with us.~~

THE INFORMATION INCLUDED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

Date

**Annual General Meeting of Forest  
Grove and District Rod and Gun Club**

**April 25, 2021**

Held at the clubhouse at 4385 Canim-Hendrix Lake Rd

Meeting called to order at 11:30 AM

President Al Cooper chaired the meeting

Due to Covid 19 restrictions the meeting was held outside and restricted to 9 attendees – 6 from the membership and 3 from the executive as follows –

Membership – Gerry Hay , Rob Jones , Carole Velne , Lenard Baronit , Alexandra Herold and John Pacukiewiz

Executive – President Al Cooper , Vice President Dale Willis and Past President Marshall Gaudreault

Financials – Opening balance \$5705.31 less cheque to Caldwell Industries for 63 cases of clay trap targets of \$970.05 for a balance of \$4735.26

Trap Shoots will be every two weeks as in the past with start date to be announced

**New Business**

Question about starting an Archery section and building a shooting area for it

Target stands on rifle range need attention and with the price of wood skyrocketing it was discussed to take trees from clearing along the range and cut them to 2" thick slabs and use them for backing to hang targets

Discussion about having a womens day and a youth day for introduction to shooting both 22 rifle and trap

Work bees to do painting and general cleanup as well as any other projects we can find

Discussed turning the trap field 90 degrees so we are shooting into the mountain and not just into the bush

Discussed building a berm at the side of rifle butts to stop any projectiles from accidentally coming toward trap field

Lenard Baronit to look into a cell booster to give us cell service in case of emergency

Discussed setting up a first aid station in the storage room and updating first aid kit

Much discussion about putting in a water system to make the bathroom in the clubhouse usable

Temporary stairs into clubhouse need to be upgrade  
Discussion about putting skirting around the bottom of  
clubhouse

Dale Willis and Skylar have built target stand for rifle range as a  
school project for Skylar will do story in paper

#### Conclusions of discussions

Gerry Hay and Rob Jones are going to be doing the finishing  
work on the clubhouse both inside and outside

Gerry Hay has offered to cut slabs off our trees to fix up the rifle  
target stands

Lenard Beronit has offered to come and paint inside of  
clubhouse when Gerry and Rob are finished

More discussion needed around water system for bathroom

More discussion and investigation needed on turning the trap  
field

All in attendance agreed the the berm on rifle range and turning  
the trap field were safety upgrades and should be done

Meeting adjourned at 12:15 PM

Deposits - \$530.00

**Forest Grove and District Rod and Gun Club**  
**Final Report | 2021 CRD grant funds allocation and usage**

The 2020 request was used to upgrade and repair the washroom and kitchen facility in our new clubhouse by getting water to the clubhouse and installing a septic tank and small drain field area to facilitate our usage.

This was done during Covid restrictions and prices on building materials were inflated due to supply shortages.

With this project completed we now have a usable washroom in our clubhouse which is a welcome addition for our female members especially.

We had area director Margo Wagner out to show her around and will be putting a photograph of her with the club president in the local newspaper with a story explain the support we received from the CRD.

**Project Expenses**

Septic tank	990.90
Plumbing supplies	518.37
Lumber for water tank stand	161.14
Pipe for drainage field	160.00
Drain rock for field	100.00
Excavator to install tank and dig for drainage field	400.00
<b>Total</b>	<b>2330.41</b>

## Forest Grove and District Rod and Gun Club
