Work in conjunction with clubs throughout BC and surrounding provinces/states for the exchange of ideas and suggestions, and encourage the sharing of goodwill and fellowship derived from owning a vehicle or and engaging in such social and other events in harmony with the society's general objectives.

In addition, the event brings in 100's of spectators to the area. The economic impact to our local businesses, hotels, gas stations, restaurants, local stores is substantial. Hello Jane,

Your report indicates that a total of \$1163.94 was spent in preparation for the 2020 Hot July Nights. As a grant was approved for \$3,000, can you or the Chamber of Commerce, please indicate how the remaining \$1,836.06 will be spent. If there are no proposed plans for the remaining funds, we will issue a cheque for the \$1163.94 in our next cheque run on May 22. As the Grant was requested by the Chamber of Commerce, the cheque does need to be made out to that organization

Thank you.

Ps - when our expense request is approved, please notify me at your earliest convenience and please forward cheque to 7526 Burgess Rd, Lone Butte, BC V0K 1X3. I understand the grant was requested by the Chamber however, as I am the treasurer and am responsible for reimbursing expenses it would be easier if you issue to 100 Mile Cruzers. No problem if this is not possible, however, if possible please advise once issued so I can look after it.

Thank you,
