Re: Nazko Addition-to-Reserve

Dear John MacLean,

This letter is to inform you that Nazko First Nation is submitting an application to Canada to add a parcel of land to Reserve through the Addition to Reserve (ATR) process. The parcel is located at 9480 Nazko Road, Nazko BC and has the legal description of: PID 007-563-566 Lot 5 Plan PGP 2555, DL 3383, Cariboo Land District, Except Plan 26326. The parcel is within Nazko's Traditional Territory, is owned by Nazko Economic Development Corporation and is home to the Three Nations Store and Lodge.

We anticipate this change will have minimal impact on the Cariboo Regional District and appreciate your support in this application process.

If you have any questions about this process or our application, please contact Taiho Krahn at manager@nazkoecdev.ca or 250-991-0284 x 207

With Respect,

Chief Leah Stump
