PURPOSE:

To have a policy in place ensuring the onus of responsibility for compliance and to obtain approvals required under any enactment including, without limitation, Ministry of Health approvals, sewerage system approvals, and highway access permits.

POLICY:

For all construction projects, it is the owners' responsibility to ensure compliance and obtain approvals required under any enactment including, without limitation, Ministry of Health approvals, sewerage system approvals, and highway access permits. The Cariboo Regional District will not require evidence of compliance with these regulations or enactments prior to issuing building permits or approving building inspections. Notwithstanding this policy, if Cariboo Regional District Building Inspectors become aware of any serious health hazard while carrying out their duties, notification will be forwarded to the proper Health Authority.”
