## Memorandum:

At the February 25, 2022 meeting of the Cariboo Chilcotin Regional Hospital District, the Board received a request from the City of Williams Lake to reconsider its decision on an Interior Health Funding request for a Long-Term Care Bus. The request was received and then the Board voted unanimously on resolution 2022-02B-23:

*That the Chair write a letter to Interior Health explaining the Board's position on not funding the Deni House bus and encouraging them to move forward with the purchase in the absence of Cariboo Chilcotin Regional Hospital District funding, and that the City of Williams Lake be copied on the letter.*

Interior Health has acknowledged receipt of the letter and responded in kind. Their response is presented here for the Board's information along with a copy of Chair Simpson's March 9<sup>th</sup> letter.
