Dear Sylvia Weir:

Thank you for your letter of December 22, 2021, presenting the Capital Funding Requests for the 2022/23 fiscal year.

The Cariboo Chilcotin Regional Hospital District (CCRHD) first considered the request on February 4th and then reconsidered a particular request on February 25th.

The Board was pleased to support the vast majority of the requests and has directed staff to prepare the appropriate measures in our financial planning.

However, the Board did not support the request for funding for the long-term care bus for Deni House. While the Board recognizes the importance of this project and encourages Interior Health to continue to look at this important support for Deni House, it feels that it is not appropriate for the CCRHD to fund vehicles.

We look forward to continuing our positive working relationship with Interior Health in service of our community.

Sincerely,

Chair Bob Simpson
