Short Summary:

Request from the City of Quesnel for Additional Healthcare Recruitment and Retention Funding

Voting:

Corporate Vote - Weighted

Memorandum:

The City of Quesnel has made a request for the addition of funding to their Healthcare Recruitment and Retention contract for the purpose of supporting the recruitment of Locums to Quesnel. The additional funding is to provide Travel and Accommodation stipends to Locums providing relief for resident physicians and surgeons, a make whole condition should the city suffer a loss from the operation of their existing Healthcare apartment and a 10% Administration fee on the travel and accommodation stipend.

The total additional funding is budgeted at an annual cost of \$ 73,908.00.

Financial Implications:

Minor. The additional funding was not budgeted for; however, the CCRHD Budget has significant operating surplus that is more than enough to cover any additional costs that may arise from this in the current year. For subsequent years the budget can be adjusted to cover the additional cost.
