Short Summary:

AAP for Bylaw No. 5394 – Gook Road Streetlighting

Voting:

Corporate Vote - Unweighted

Memorandum:

The Board gave three readings to Cariboo Regional District Gook Road Streetlighting Service Establishment Bylaw No. 5394, 2022 on June 10, 2022, and the Bylaw has subsequently received Statutory Approval from the Deputy Inspector of Municipalities. The Board may now proceed with a public assent process; the Electoral Area Director has expressed an interest in conducting an Alternative Approval Process (AAP) as the information has already been shared publicly through various means, and to keep the costs low.

If AAP is chosen, the Board must establish a deadline for receiving elector response forms, which must be at least 30 days after the second public notice is published. When establishing the date, the Board should keep in mind that if 10% or more electors sign an elector response form during the AAP and the Board decides to proceed to an assent vote (referendum), the vote must be held within 80 days of the deadline established for the AAP.

The Board must also establish the elector response forms and make a fair determination of the total number of electors in the AAP area. These documents are attached for the Board's consideration of endorsement.
