

NDIT Business Façade Improvement Grant

Before & After 2022

Each spring the Cariboo Regional District advertises the Business Facade Improvement Grant. This grant covers 50% of the cost of business face improvements to a maximum of \$5,000. In 2022 we were able to support five businesses with their upgrades. Two businesses have completed their projects, and we anticipate the final three to complete and report on their projects within the next two weeks. Please see the before and after photos from the two completed 2022 projects. These include the Red Crow Cafe in Lac La Hache and Marshalls 150 Mile Store in 150 Mile House.
