RE: Bylaw Request 2022 – Patient Transfer Tool

Dear Mr. Erickson,

Northern Health would like to formally request funding of \$7,397 for the Cariboo Chilcotin Regional Hospital District's (CCRHD) share of the Patient Transfer Tool project.

The purpose of this project is to digitally-enable and automate patient transfer processes within NH and from other health authorities that are currently done manually. This software facilitates timely clinical assessment, transfer coordination, waitlist management, bed assignment, collaborative communication/documentation, and transfer management reporting.

The Regional Hospital Districts are funding 40% of this project. The CCRHD's share of this project is 3.9% of the RHD contribution.

Total Budget	\$	474,000
Funded by Regional Hospital Districts (40%)	\$	189,600
Cariboo Chilcotin Portion (3.9%)	\$	7,394

I've attached the Capital Project Approval Form (CPAF) for your information. Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,
