Please answer the following questions, using additional paper if necessary.

1. What plans has your organization made to fund its activities over the next 3-5 years?

We have donations of money and volunteer hours in kind to support Lone Butte Rocks. We sell T-shirts and shopping bags. All profits from these sales go towards the next years event. We also ask for donations from the community at various gatherings throughout the year. Our hall also is rented out for private events as well as other community groups.

2. If your organization charges user fees/memberships/admission, attach your current fee structure.

3. What are your organization's specific goals and objectives for this year? How do they differ from previous years?

We continue to offer our previous events such as Halloween, Christmas dinner, and Lone Butte Rocks. We had introduced an after school youth crafting club as well as evening teen yoga (before COVID that we are looking into returning) in order to bring more kids to the community hall as well as welcome new families to the community. We also continue to work on plans to expand our kitchen to better accommodate our growing community.

4. Who does your organization serve?

Residents of Lone Butte and surrounding area including Interlakes and 100 Mile house

5. Does your organization receive a rental subsidy from the CRD? If so, how much?

No

6. Does your organization receive any benefit from permissive tax exemption, and if so, how much?

Yes, 100%

7. Does your organization use CRD owned facilities? If so, which ones?

No

8. How will you indicate that the CRD is contributing to your organization?

We are always grateful and appreciative of any and all funding that we receive. We will mail out a letter with copies of appreciation certificates that will be displayed in the community hall.

Project Summary Sheet

Please answer the following questions, using additional paper if necessary.

1. Brief description of proposed use of Grant being applied for:

We are requesting funding to assist in our Halloween event. We provide a fun "Trunk or Treat" event for the children of the area. We provide hot dogs, hot chocolate, and a goodie bags for everyone that attends. Neighbours decorate the backs of their vehicles and hand out candy to the children. This event is always concluded with a fireworks display set up and manned by the Lone Butte Fire Department.

2. How do you know there is a need for this service/project in our community?

The past few years have been difficult especially for those in rural areas, we have been separated for a long time. We feel this is important to help us reconnect with our neighbors and our community. Also, we have had a number of new people move to the area and this is important to help them connect with the community.

3. Is your agency applying for funds from other levels of government or other sources for this project?

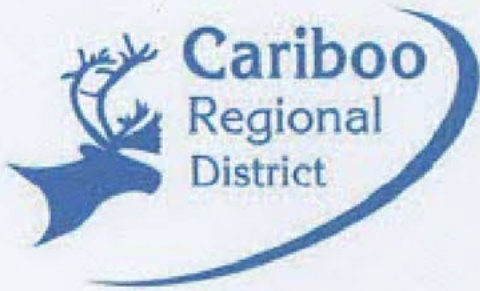

We receive some funding from the Provincial Community Gaming grant fund for some of the events that we host and provide for the community including Halloween.

4. Would you still be able to complete the project if you do not receive the other funds applied for?

Though we would be able to put on the event it would not be as fun and enjoyable by all without the additional funding. We would have to cut back from previous years.

5. Please describe the impact of this application being denied or approval of an amount less than requested.

This event would not be as enjoyable without this grant. We would not be able to have the fireworks without financial help, we may even have to cut back on hot chocolate and snacks for those coming out for the "Trunk or treating". We may have to cancel the event if we can not do a fair job of the event.

6. Start date of the project: October 20, 2022

End date for the project: November 1, 2022

7. Please describe the key activities that will take place to complete the project and any associated timelines.

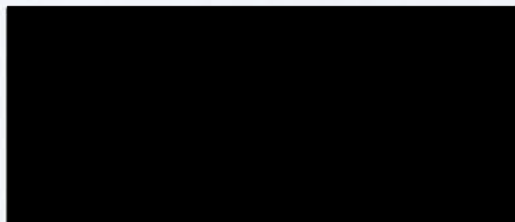

We will have to purchase the supplies (hot dogs/buns, hot chocolate, fireworks, and candy bags). We will have to arrange the fire department as well as the volunteers to make and distribute the bags, hot dogs, and beverages and clean up after the event.

8. Please provide a detailed financial budget for the project.

9. Please explain how you will measure and evaluate the impact of this project on the community?
How will you determine if it was successful?

Though it would be difficult to gauge there are a few ways to measure it as a success. How busy was the parking lot, how many bags, dogs, and beverages were left. How was everyone feeling at the event (happy, joyful, bored, quiet). Were there positive mentions after the event (to us and others). Did we start seeing more people at other events? Volunteering? Coming to meetings?

THE INFORMATION INCLUDED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

Presidents Report:

Welcome to our 2021 AGM of the Lone Butte, Horse Lake Community Association. You may have noticed that our 2021 president Natalie Sass isn't here tonight. She has chosen to take a step back from the association due to personal reasons. We would like to offer her our heartfelt thanks for the numerous years she gave to the association. We are also losing one of our directors – Carmen Dykstra who has stepped down. Thank you to Carmen for her creative work over the last few years on our craft sales and Christmas decorations. Now, what went on this year? We certainly suffered the consequences of COVID with limited events and just a few rentals. Sadly, we had to cancel our normal Lone Butte Rocks event that was planned for July.

We were able to host Halloween with 19 families setting up vehicles for trunk or treating and approximately 200 people attending the event. The Lone Butte fire department once again took charge of the fireworks display and what a display it was.

November 27 & 28 saw the hall filled with vendors for the first craft sale in 2 years. Thank you to Linda for taking on the challenge of organizing this event. It was a successful weekend for all vendors and shoppers alike.

Santa arrived at the hall on December 12th for a day with the local children. Thank you to Roy for being Santa for the day and to Val and Linda for the lovely decorations around the hall. Merriment was had by all. Thank you to all of our volunteers who gave their time to allow us to put on these events every year. We look forward to a more normal 2022 - please keep your eyes on our face book page for upcoming events. Our next event at the hall will be our Cabin fever luncheon February 13 for the seniors in our community.
