**From:** Tera Grady, Manager of Solid Waste

**Date of Meeting:** Cariboo Regional District Board\_Apr14\_2023

**File:** 5360-07

---

## Short Summary:

Progress report on planned consultation activities for the updated Solid Waste Management Plan.

## Voting:

Corporate Vote - Unweighted

## Memorandum:

Phase two consultation for the updated Solid Waste Management plan is scheduled to take place throughout the month of May, and into June if necessary.

Residents will be invited to:

- participate in virtual or in person open houses,
- visit the CRD website to review FAQ's, recorded presentations, and access information on each proposed service or change, and
- complete a survey on the eight new services/changes identified by the Solid Waste Advisory Committee.

Visuals will be provided during the Board meeting to provide a preview of some of the consultation materials.

The 19 proposed curbside collection areas are:

1. Barlow Creek/Ten Mile Lake
2. River Park Road/Hilborn Road/Quesnel-Hixon Road
3. Bouche Lake/Bouche Creek/Pinnacles Park
4. West Fraser Road
5. Red Bluff
6. Rich Bar/Dragon/Kersley
7. Pine Valley
8. Commodore Crescent
9. Fox Mountain
10. North Lake Side/Lexington

11. South Lake Side
12. Esler
13. Dog Creek
14. Flett Subdivision
15. 103 Mile
16. 105 Mile
17. Buffalo/Gateway
18. Ranchettes/Horse Lake/Lone Butte
19. 93 Mile

Due to the amount of detail and review required to identify and confirm eligible parcels for the proposed curbside collection service areas, the final mapping process has taken longer than anticipated. Some service area maps will be presented during the meeting with a review of the rationale for selected parcels.

### **Attachments:**

None.

### **Financial Implications:**

[Click here to enter text.](#)

### **Policy Implications:**

### **Alignment with Strategic Plan:**

- ☒ **Communication:** Facilitate communication strategies throughout the entire Cariboo Regional District that meet the needs of residents, community stakeholders, and other levels of government.
- ☒ **Planning:** Intentionally plan services and activities of the CRD to prepare for future needs of residents and community stakeholders.
- ☐ **Economic Sustainability:** Foster an environment to ensure the economic sustainability of CRD communities and the region.
- ☐ **Governance:** Ensure that CRD governance policy and practices are intentional, transparent, and respectful.
