Northern Development Initiative Trust was created by the Province to be a catalyst for central and northern B.C. to grow a strong diversified economy by stimulating sustainable economic growth through strategic and leveraged investments.

I am pleased to advise you that the Economic Infrastructure application from the Cariboo Regional District for the 'Anahim Lake Airport Terminal Expansion' project be approved for a grant up to \$132,691 from the Cariboo-Chilcotin/Lillooet Regional Development Account on April 26, 2023.

This approval is open for a period of 12 months from the date of approval, during which we expect a funding agreement signed with Northern Development and the project commenced. Our staff will be in touch with you regarding the funding agreement. It is important to note that the agreement must be signed prior to starting the project and expenses incurred prior to signing the agreement will not be reimbursed. Grant funds must be used in accordance with the budget in the signed agreement. No changes in the budget or scope of the project may be made without prior written approval from Northern Development.

We wish you every success and look forward to seeing the positive impact your project has on the local economy.
