**And To:** Murray Daly, Chief Administrative Officer  
**From:** Tera Grady, Manager of Solid Waste  
**Date of Meeting:** Committee of the Whole\_Jul13\_2023  
**File:** 5360-07

---

## **Short Summary:**

Update on Solid Waste Management Plan (SWMP) Process and Timeline to the End of the Year

## **Background:**

Over the summer the SWMP consultation report and SWMP will be drafted based on the activities of the past two years and recommendations from the Solid Waste Advisory Committee.

In September/October the completed SWMP will be presented to the CRD's member municipalities to ensure that municipal costs associated with proposed solid waste diversion options are communicated and municipal feedback on timing and funding feasibility are received.

In October/November the SWMP will be provided to the Solid Waste Management Committee with the recommendation to forward it to the CRD Board for approval and endorsement.

Once endorsed by the CRD Board the SWMP will be submitted to the MOECCS for review (December 2023).

If the above timing is achieved, it is expected that implementation of the SWMP will be approved by the second quarter of 2024.
