PURPOSE:

The purpose of this policy is to clarify and codify the processes and procedures regarding the availability, application, review and disposition of applications for Grants for Assistance in the Cariboo Regional District.

POLICY:

The Cariboo Regional District wishes to allow for the Electoral Areas to choose whether to provide Grants for Assistance to groups and organizations pursuant to the provisions of the *Local Government Act*. Therefore, the Cariboo Regional District shall formulate and adopt procedures to govern the availability of, and the application for and awarding of Grants for Assistance by community groups and organizations.

1. Principles

The Cariboo Regional District has adopted the following principles to govern and guide the decision making around the consideration of Grants for Assistance:

- a) It is not mandatory to participate in a Grants for Assistance program. Electoral Area Directors should have the ability to declare that their respective Electoral Area is not participating in part or all of the Grants for Assistance Program, or to establish financial limits to their participation.

- b) The Cariboo Regional District Board does not intend to utilize these provisions of the Local Government Act to provide operational financing, but rather to assist with events and /or projects.
- c) The Cariboo Regional District Board does not intend to provide assistance under the provisions of the Local Government Act to replace the financial responsibilities of senior levels of government, other governments or government agencies and affiliates, or to replace primary funding opportunities such as grants offered by senior levels of government.
- d) The Cariboo Regional District Board has both statutory and budgetary limitations on the amount of funds available for providing assistance under the provisions of the Local Government Act and wishes to ensure that these funds are disbursed as fairly and equitably as possible to deserving applicants with due regard to the degree of benefit that will result to the taxpayers that will be responsible for paying for the assistance provided.
- e) The Cariboo Regional District Board has an obligation to all of its citizenry to protect the regional district from exposure to liability that could arise as a result of its funding relationships.
- f) There must be a direct and logical connection between the Electoral Area considering the Grants for Assistance and the event/project.

2. Grants for Assistance Programs

- a) The Cariboo Regional District will offer two Grants for Assistance programs. These are:
- b)
 - i. The Annual Intake Grants for Assistance Program
 - ii. The Year Round Intake Grants for Assistance Program.
- c) Electoral Area Directors are deemed to be participants in both the Annual Intake and Year Round Intake Grants for Assistance Programs. Should an Electoral Area Director not wish to participate in one or both of the programs they shall notify the Chief Financial Officer, in writing (emails are acceptable), no later than July 15th of each year for the following year. The Chief Financial Officer shall make the necessary adjustments to the Financial Plan, as well as informing the other departments that are involved in the Grants for Assistance Program.
