Referred To CAO/Chair

Dear Margo Wagner,

RE: Office of the Ombudsperson Quarterly Report: April 1 - June 30, 2023

This package of documents details the complaint files the Office of the Ombudsperson closed for Cariboo Regional District between April 1 and June 30, 2023. Though no action is required on your part, we hope that you will find this information useful and share it within your organization.

These reports provide information about the complaint files we closed regarding your organization within the last quarter, including both files we investigated and files we closed without investigation. Files currently open with the office are not included in these reports.

Enclosed you will find detailed reports containing the following:

- A one-page report listing the number of files closed and the category under which they were closed. The categories we use to close files are based on the sections of the Ombudsperson Act, which gives the Ombudsperson the authority to investigate complaints from the public regarding authorities under our jurisdiction. A more detailed description of our closing categories is available on our website at: <https://bcombudsperson.ca/assets/media/QR-Glossary.pdf>.
- If applicable: Copies of closing summaries written about the complaint files we investigated. These summaries provide an overview of the complaint received, our investigation and the outcome. Our office produces closing summaries for investigated files only, and not for enquiries or those complaints we chose not to investigate.
- If applicable: A summary of the topics identified in the complaint files closed during the quarter. We track general complaint topics for all complaints we receive, and when applicable, we include authority-specific and/or sector-specific topics for your organization and/or sector. Our office tracks the topics of complaints we investigate and those we close without investigation, but not for enquiries. Because complaints to our office are confidential, we do not share complaint topic information if we received too few complaints to preserve the complainants' anonymity.
