

Date: 13/10/2023

To: Chair and Directors, Cariboo Regional District Board

And To: Murray Daly, Chief Administrative Officer

From: Tera Grady, Manager of Solid Waste Management

Date of Meeting: Cariboo Regional District Board_Oct20_2023

File: [Click here to enter text.](#)

Short Summary:

Tenure Application for the Lac La Hache Transfer Station

Voting:

Stakeholder Vote - Weighted – All Electoral Areas, District of 100 Mile House and District of Wells

Memorandum:

The Lac La Hache Transfer Station is located on crown parcels that the Cariboo Regional District does not have licenses or leases for. Staff recommend approval of a resolution to apply for a tenure application on behalf of the Cariboo Regional District.

Alignment with Strategic Plan:

- ☒ **Infrastructure and Asset Management:** To establish a systematic, predictable approach to managing the regional district's assets and infrastructure that builds on current asset management data and condition assessments.
- ☐ **Enhanced Communications and Engagement:** To build trust and credibility of the regional district by enhancing our communications and engagement with citizens, stakeholders, and volunteers.
- ☐ **Effective and Responsive Land Use Planning and Development:** To ensure our land use planning and development is responsive to future growth and housing needs, anticipates risks and hazards

associated with climate change and provides efficient and consistent processes for landowners and developers.

- ☐ **Relationships with First Nations:** To foster a healthy and inclusive region by building and strengthening our relationships with First Nations and embracing the principles of reconciliation.

Options:

1. Endorse recommendation;
2. Receipt and other action.

Recommendation:

That the agenda item summary from Tera Grady, Manager of Solid Waste dated October 13, 2023, regarding the application for a tenure application for the Lac La Hache Transfer Station, be received. Further, that staff be authorized to submit a tenure application for the crown parcel on which the Lac La Hache Transfer Station is located.
