Dear Gerald Pinchbeck,

RE: Updating information for Cariboo Regional District Bursary

Hello, Gerald Pinchbeck. We wanted to express to you that we greatly appreciate your support and contribution to furthering the educational opportunities for our students.

In proceeding with our scholarship process, I have attached your original donor form to this letter. **Kindly review the form, paying particular attention to the highlighted areas and if there are any changes, please just cross out the old information and add the new information on the form, then please mail or email it back to nicole.jackson@sd27.bc.ca by December 1st, 2023.**

Our scholarship process typically begins in October, when we reach out to our donor list to gather updated information. Once we have received all the necessary details, the application period for students commences in December this year. Our deadline for receiving applications is mid-March.

You have two options for selecting the scholarship recipient. You can either personally review and choose the recipient from the received applications that I will mail out to you, or you can entrust the selection process to our scholarship committee. If you opt for the latter, the committee typically makes their decision by mid-May, at which point we will inform you of their chosen recipient by letter.

This year we are excited to bring back our Scholarship Tea! This is in the early planning stages right now, but we hope to have it in the first week of June. We will be contacting you when we have more information.

Thank you once again for considering our scholarship program as a means to contribute positively to the educational journey of deserving students. Should you have any further questions or require additional information, please do not hesitate to reach out to us.

We look forward to your participation and continued support.

Kind regards,

PSO Scholarship Committee
