

RESULTS OF PUBLIC HEARING

File No: 3360-20/20230013

Date: October 17, 2023

Location: Forest Grove Community Hall

Re: **SOUTH CARIBOO AREA ZONING AMENDMENT BYLAW NO. 5441, 2023**

Persons Present:

- ☒ Director: Margo Wagner
- ☒ Owner(s): Hp Holdings Ltd.
- ☐ Agent: N/A
- ☒ Public: See attached list
- ☐ Staff:
- ☐ **No public in attendance** (excluding owner/agent)

-
- ☒ Meeting called to order at 7:01 PM
 - ☒ Welcome, introduction and the "Purpose of a Public Hearing", including the rules for the meeting and the specifics of the application were read out.
 - ☒ The following verbal comments and questions were received: (add additional sheet if required)
 - Comments in favour:
 - Graham Combe - Great for the area
 - Mark & Lori Snowball - neighbouring ranch - no issue full support.
 - Maureen Evans - opposed at the TUP meeting - now in full support.
 - Comments of concern/opposition:
 - Deanna Davies owner - addressed the only opposed submission regarding the loss of good hay land - She & David harvested many hectares of hay & sold it to ranchers in northern BC. Plan on continuing that practice
 - ☒ Attendees were asked three times for further comments and/or questions.
 - ☒ The Chair called the meeting adjourned at 7:30 PM (Waited at least 10 mins from time of Calling to Order)

I certify this is a fair and accurate report on the results of the public hearing.

Signature of Chair

Refence Notice of Development Application for Rezoning District Lot 8333, Lillooet Land District

To whom it may concern:

British Columbia has some very good farmland; however, we also have a very limited supply to start with. Even with modern farming practices BC cannot produce enough of our own food. The day is coming where other countries will need the food they currently export to Canada for themselves. What will we do when we have repurposed our wonderful farmland?

Every day in BC, even with the agricultural land frozen, more and more farmland is lost to other purposes.

I urge you not to approve this application which will take more of our precious farmland out of production. In this case we are also encouraging people to put more carbon into the atmosphere with the burning of fossil fuels. Farmland can be a carbon sink when properly managed. Changing this farmland to motorsports does the opposite.

Awaiting a favorable reply.

Chris Betuzzi, Registered Forest Technician 0058

To whom it may concern,

My husband and I attended the hundred mile horse power Ranch on the September long weekend we spent the entire day there watching the mud races. We enjoyed the event immensely. It was well organized and it was a very family orientated event. We watched kids families, moms, dad's brothers sisters, all competing and having fun. There was safety there and food. All around a well put together event that my husband and I feel should continue. We are residence in Lone Butte.

Regards,
Kristy & Glenn Rempel

[REDACTED]

Greetings,

As a resident of the interior since 1989 and the 111 mile valley for the last 20 years (previously LLH) I would like to FULLY endorse my support for Horsepower Ranch. I feel this is a great benefit for young and old alike to gather as COMMUNITY minded people to get out and enjoy the great "beautiful British Columbia" outdoors in an exciting way. Which more often than not, encourages other people to get on board with what they are doing, which brings in the domino effect of dollars and support back to local business.

I live along the secondary route to get out to the ranch and have not had an issue with any traffic or any other "issue" in fact, less so than hunting season out here! When they first started out, I even put some paper signs up for them that is how excited I was to hear of someone trying to get something good going on that the public could enjoy.

I feel that they are doing a great job, garner great support and would be a TOTAL benefit to our communities now and far into the future.

Kudos to them and I sincerely hope that you grant them the permissions they need to continue moving onward and upward!!

Gratefully,

Lori-Lyn Graham

[REDACTED]

To Members of the Cariboo Regional District Planning Department,

Thank you for taking the time to consider all the interested parties in this re-zoning application.

My partner and I met through the North West Mud Racing Association a few years ago and have developed a business to support a Mud Drag Racing Team - MudHawk Motorsports.
We sponsored 5 trucks in the Mud in 2023 and are adding a few more next year.

We've been fortunate to meet and get to know better so many Members of the Association.
These folks just want to come out to race their crazy wonderful vehicles in the Mud with their families and friends and give the local spectators a good show.

Safety is always paramount at every NWMRA-sanctioned Event.
All rules are enforced and available online to everyone.
Our Executive Team is on the job and at the ready always.
No alcohol or drug use is tolerated during Events. Ever.

My partner and I live in the Lower Mainland (Chilliwack and North Vancouver) and love having the excuse to travel our British Columbia for Races every Season.

The Events at 100Mile Horsepower Ranch are, by far, my favourite.

We have attended each Race held by Leanna and Dave Davies (and the family).
I am so impressed with their professionalism and creativity.

The Ranch still feels natural and comfortable, where every person there respects and cares for the environment.
I'm a garden builder from way back and I know the Davies contemplate their stewardship of every bit of the property.

They always consider the needs of their guests as well as the impact on the surrounding community.

I feel that an Event Venue such as 100 Mile Horsepower Ranch will increase tourist interest in your area.
We are all happy and willing to spend time and money in your community.

I know I very much enjoy our trips to the Ranch - except when we're bringing up the rear of a convoy. That last stretch can kick up alotta dust!!

We do try to get there earlier to be ready for our crew and just enjoy the scenery.
The way your little lakes and ponds just appear around a corner is lovely and very different from our Fraser Valley and surrounding mountains.

One suggestion - perhaps laying down dust inhibitors (Chilliwack uses it on our gravel alleys and side roads) before Races would improve the situation for the neighbours.

I would think this might be something the Davies could help with.

Thank you again for taking the time.

I do hope you will visit the Ranch next season during an Event and have fun watching us all play the Mud.

With appreciation and warm regards, Wendy Power.

Subject: Letter of Support - 100 Mile Horsepower Ranch

[REDACTED]

I'm a 54 year old grandmother of 6 from Chilliwack, BC. My family and I have been attending mud races as spectators for approximately 8 years.

This was my first year racing our 1964 Chevy pick up and 3 of my grandkids racing their junior dragster (all under the age of 9). The change for me from being a spectator to a racer at my age is largely because of the 100 Mile Horse Power Ranch.

My main priority in life is family and my young grandkids and only a short amount of time at the Horsepower Ranch and I knew that the Davies have some of the same priorities and values that I do; safety, family, high standards, & making memories.

Not many places you can go for a weekend with young kids, fast race vehicles everywhere and still be at ease like you can at the Horsepower Ranch. My family of 12 travel from Chilliwack to the 2 NWMRA race events in the summer at the ranch. My 5 year old grandson cries when our 5 day weekends at the ranch are done and it's time to leave. My grandkids are just excited as us adults for the 2024 race season to begin so we can be back at the Horsepower Ranch.

No electronics, no tablets, no video games all weekend for the kids. Just family time and adults and kids playing in the dirt and mud and kids still cry when it's time to leave. That is the type of environment the Davies have created

We had family and friends come from Revelstoke and Nova Scotia to watch us race. They were so impressed with the way in which the race weekend was organized, the environment & the safety measures in place that they are awaiting the schedule for next year's races at the ranch so they can plan their holidays to be there. To them, the experience at the ranch for a mud racing weekend was well worth the travel.

It is obvious that the Davies have devoted ALOT of time in planning, working the land and figuring out the logistics of running a professional, safe, and family fun race weekends. The amount of volunteers that happily step up to help them from sun up to sun down on their event weekends speaks volumes about the 100 Mile Horsepower Ranch and Leanna and Dave.

To the Davies, it's not just about creating revenue, it's about families making memories and teaching/showing our junior racers that life isn't about sitting on your electronics but about being part of a race team/family and being just as important and valued as the racers who spend tens of thousands of dollars on their race vehicles. The Davies care about the next generations under us and creating a safe place for them to be kids and enjoy the dirt as they grow up racing.

In the few years that they have been operating with their temporary permit, they have shown that they organize, supervise and run professional mud race events. They've also shown that they are community involved people. You couldn't ask for a more well suited group of people to support with their desire to expand their plans for the Horsepower Ranch. Your support in approving their current application will help put many memories into people's lives as well as enhance the community of 100 Mile House.

My family is forever grateful to Leanna & Dave Davies and their crew of people for what they have created with their property and for it to be a fun & safe environment for my grandchildren to be a part of it. I strongly support their application before you and their future plans for the Ranch. I hope to be a great-grandma one day, loading up the motorhome and heading to the Horsepower Ranch to watch my great-grandchildren race.

Communities across our province need more people like the Davies.

Respectfully,

Tammy Barkhouse

Subject: Support letter for Meeting Oct 17,23

[REDACTED]

[REDACTED]

Hello all, my name is Rick Hauser from Langley BC. I hope this letter finds you well. I have been friends with the Davies for over a decade now, and have been involved in the NWMRA for over 15 years, going to the mud races since 2004 in Chilliwack. I have seen many changes over the years, most of them positive, with growth, and the future of Motorsports and family fun in mind.

Today I'm writing this letter with my full support of Dave and Leanna Davies and the 100 Mile Horsepower Ranch. I intended to be there to support and speak on behalf of the ranch but my hunting trip got extended in northern BC and I am unable to attend in person.

With all the work and dedication that's been put in by the owners, family, and a huge group of volunteers this ranch has proven without a doubt to be a family friendly venue that can do nothing but benefit the area for years to come with permanent rezoning. The Ranch is so much more than a "mud bog" property. It's being built with a sustainable family friendly, long term vision for young and old to enjoy together. The type of vision that brings communities and people together.

The whole group has really stepped up during this temporary use permit time, showed that they can handle the events in a safe, professional and fun manner where everyone has smiles at the end of the day, and made memories for years to come. They have all made a real effort to ease and address any concerns from neighbours, other locals, and the surrounding communities.

In closing, I feel a permanent rezoning is the best option for stability and a viable long term future at the 100 Mile Horsepower Ranch.

Best regards, Rick Hauser, Owner at Northwest Suspension.
Long term Club Sponsor, Friend, and Business Owner.

Support letter
To CRD

Hello, I'm Austin Briand, I am writing this support letter for the Horse Power Ranch. I'm going to tell you about myself and why i strongly support the rezoning of the Horse Power Ranch.

As a young resident of 100 Mile House that has grew up, works and owns property here. The Ranch events are something myself and people my age attend and very much enjoy. There are no other events like this for us to attend and participate in 100 Mile House. The mud races are a part of who i am, I grew up with my family racing. The mud racing events at the Horse Power Ranch are my home events. Many businesses in town sponsor me for this event. Such as Napa, County Tire, Simon at Truck Parts and 100 Mile Traffic control. During races these businesses are announced to all the spectators that they sponsor and support me. Horse Power Ranch provides a safe family fun weekend events for all ages of people. You can attend for the day or the whole weekend. The Ranch even offers camping for these events.

In conclusion I would be greatly disappointed if these events could no longer happen in our community. These events bring so many visitors to our community and extra revenue. The opportunity for the Ranch to grow and provide more outdoor activities for young people is something we should not lose. Most of the young people my age, that I have Graduated with are no longer in 100 Mile House due to the lack of opportunities. Please don't let this great opportunity for our community slip away. Dave and Leanna Davies are the heart and soul of Horse Power Ranch that provides the community with these great events. Therefore, I strongly support Horse Power Ranch rezoning.

Thank you
Austin Briand

A handwritten signature in dark ink, appearing to read 'Austin Briand', with a stylized flourish at the end.

Support Letter
October 16 2023
To CRD

It is my pleasure to be writing in strong support of Horse Power Ranch permanent zoning change. Which Dave and Leanna Davies has demonstrated exceptional commitment and dedication to making this property into an off-road racing and recreational facility.

These events are family friendly and can be enjoyed by all ages. I have had the privilege of witnessing the outstanding work and positive impact this ranch provides on its visitors and the community. I have attended these events and volunteered wherever I've been needed. These events bring visitors from all over BC to visit our small community of 100 Mile House. Which in turn also brings in Extra revenue for our business. Horse Power Ranch provides a space for safe outdoor activities which is much needed in our community especially for our young adults. Myself, husband and son have been residents of Bridge Lake and 100 Mile House for the last 18 years and fully support and attended these events.

In conclusion we fully support the rezoning and making Horse Power Ranch a permit part of our great little community and all the future events they will host.

Thank you for taking the time to read my letter.

Sincerely,
Alicia Pelrine
Lee Briand

Dated: Oct 11/25

To The Cariboo Regional District

We are writing this letter as a resident/homeowner at 3068 Bradley Creek Road. A short distance from the Horse Power Ranch.

We have found the Ranch to be a good community/Family event. And we are in support of it 100%. We hope the CRD approves their application.

Sincerely: Simon Bennett

Debbie Bennett

Four Wheel Drive Association of British Columbia

www.4wdabc.ca

PO Box 284

Surrey

BC

V3T 4W8

Canada

Dear Sir or Madam,

I write to you today to express the Four Wheel Drive Association of BC's support for David and Leanna Davies in the continued creation of a motor park that supports and encourages four wheel drive and motorized recreation and competition.

The Four Wheel Drive Association of BC delivers education programs including off road driving courses and off road recovery courses for recreationists who utilize a four wheel drive vehicle to access their trailhead. We have just recently had 2 members certify with the International Four Wheel Drive Trainers Association (I4WDTA.com), the first 2 Canadians to achieve this certification. We are working with 100 Mile Horsepower Ranch to further this project helping recreationists be a little safer and a little more knowledgeable in their travels.

Four wheel drive recreation is making a remarkable comeback in BC with an increasing number of events as well as a large increase in the number of participants which have generated significant economic benefits in our communities. Our organization believes that there are opportunities in this market to be capitalized on and this certainly holds true for 100 Mile Horsepower Ranch. The Davies' have demonstrated considerable resources, ambition and ability to build what will likely be the most significant motor park in BC as well as the standing and respect in the four wheel drive world to effectively organize, promote and hold competitive events successfully and profitably. Already, these events draw hundreds and it is conceivable to draw thousands with their vision and efforts.

The Four Wheel Drive Association of BC, non-profit society since 1977, is actively involved in promoting responsible and sustainable four wheel drive recreation in British Columbia as well as advocating for public access to public land. The Association is made up of over 4000 paid members, over social media following of over 75,000, 18 member clubs and hundreds of volunteers who care deeply about adventure and exploration of the beautiful province of British Columbia. As avid backcountry recreationalists, we embrace the Tread Lightly philosophy and are a long standing provincial member of the Outdoor Recreation Council of BC.

The Association maintains partnership agreements and manages 4x4 accessible recreation sites for Recreation Sites and Trails BC, part of the Ministry of Forest Lands and Natural Resource Operations and we also have signed our first management agreement with BC Parks to restore and manage the Cornwall Fire Lookout Tower near Ashcroft, BC. The agreements involve our members and volunteers maintaining recreation sites, including building improvements, table construction/repair, painting, outhouse installation and maintenance, site brushing, trail repair and general garbage pickup and removal.

In closing, please accept this letter as one of complete support from the Association for the creation of a motor park at 100 Mile Horsepower Ranch.

Thank you for your time and consideration,

Re: 100 Mile HorsePower Ranch Operations

To whom it may concern,

This letter is in support of operations conducted at the 100 Mile HorsePower Ranch and the mission of the owners to create a family friendly, multi purpose facility that encourages safe, responsible and respectful ATVing, 4x4ing and off-road racing.

As a 4WD operations training service provider to government, industrial and recreational 4WD, UTV and ATV users we have seen the off-road community grow considerably over the last five years. The continued development of the 100 Mile HorsePower Ranch will provide economic benefits to the community of 100 Mile House, BC and promote responsible 4WD use in this ever-growing space.

Recreational events like those planned at the 100 Mile HorsePower Ranch draw hundreds and even thousands of people which benefits the local community economically. ARC Off-Road Training Ltd. is proud to support the 100 Mile HorsePower Ranch and their mission to provide 4WD users with the opportunity to participate in 4WD activities in safe, responsible and respectful manner so that all stakeholders may benefit from activities held at the site.

Yours truly,

A handwritten signature in black ink, appearing to read "Chad Achtemichuk", with a long horizontal flourish extending to the right.

Subject: Re zoning Support

Hello

My name is Daryl Mailhot , I live on the corner of Wilcox RD and Hardy RD in Forest Grove BC . I am 100 percent in favor of allowing rezoning for your property . I think it could provide entertainment value to the region of 100 Mile house . a long with economic benefits which over town desperately needs .

Unfortunaley I will not be able to attend your meeting on Oct 17 in Forest Grove
Thank you Daryl Mailhot

Petition Letter- Rezoning Property

100 Mile Horsepower Ranch is located about 35 minutes North of Forest Grove, BC. We are a up and coming Motorsports venue and campground. We are looking for local support. The property needs to be re-zoned to allow camping. Previous events from 2018 and 2022 saw huge turnouts with people traveling from all over BC and further to attend. With rezoning done we can continue to develop the property into an incredible venue. Providing economic benefits to the community of 100 Mile House and surrounding areas. Many attendees purchase supplies from stores in town including fuel, groceries and drinks. We have a spectator food court and have several local food trucks that provide food for our events. We use local suppliers as much as possible for event needs like outhouses. We provide a safe controlled environment to offroad race. Our events are family friendly and we see people of all ages attend.

Please sign if you're in support of our rezoning proposal to the Cariboo Regional District. We appreciate all the support!
Want to do more than just sign the petition? Email us a letter of support, describe your experience if you attended an event. Please include your name, City and postal code.

Petition Letter- Rezoning Property

100 Mile Horsepower Ranch is located about 35 minutes North of Forest Grove, BC. We are an up and coming Motorsports venue and campground. We are looking for local support. The property needs to be re-zoned to allow camping. Previous events from 2018 and 2022 saw huge turnouts with people traveling from all over BC and further to attend. With rezoning done we can continue to develop the property into an incredible venue. Providing economic benefits to the community of 100 Mile House and surrounding areas. Many attendees purchase supplies from stores in town including fuel, ice, groceries and drinks. We provide a safe controlled environment to offroad race. Our events are family friendly and we see people of all ages attend. To see all the benefits, go to our website for more details.

Please sign if you're in support of our rezoning proposal to the Cariboo Regional District. We appreciate all the support!
Want to do more than just sign the petition? Email us a letter of support, describe your experience if you attended an event. Please include your name, City and postal code.

Petition Letter- Rezoning Property

100 Mile Horsepower Ranch is located about 35 minutes North of Forest Grove, BC. We are an up and coming Motorsports venue and campground. We are looking for local support. The property needs to be re-zoned to allow camping. Previous events from 2018 and 2022 saw huge turnouts with people traveling from all over BC and further to attend. With rezoning done we can continue to develop the property into an incredible venue. Providing economic benefits to the community of 100 Mile House and surrounding areas. Many attendees purchase supplies from stores in town including fuel, ice, groceries and drinks. We provide a safe controlled environment to offroad race. Our events are family friendly and we see people of all ages attend. To see all the benefits, go to our website for more details.

Please sign if you're in support of our rezoning proposal to the Cariboo Regional District. We appreciate all the support!
Want to do more than just sign the petition? Email us a letter of support, describe your experience if you attended an event. Please include your name, City and postal code.

Name	City	Comment
Taylor Campbell	Williams lake	"Good for the community"
		"I absolutely loved this event in 100 Mile, its so much fun to watch! The food, vendors and people who run the place are great 🍀 feels like a big get together when you're around everyone. Loved the kids taking part as well."
Trinity Potter	100 mile house	"My friend"
Sawyer Millward	Golden	"This deserves my signature"
Grant Clements	Merritt	"The sport needs to continue"
Scott Johnstone	Oliver	
Jaden Zezza	100 mile house	"Thought it was an amazing experience and community event that brings people from all around"
courtney findlay	100 mile house	"We need more local and tourist attractions."
chris rosendale	100 Mile House	"What a Great idea!"
		"This is a sport that keeps our young ones engaged in a safer environment than being on their own in the bush and destroying our beautiful bc. Lets keep it in one spot. Its no different than street racing when there is no safe venue for the young to do so."
Mike Kinar	Mapleridge	"We need more family Oriented places"
Bill Walker	Langley	"I would like to support this event and rezoning as it is good for the local economy."
Jody Plant	Prince George	"The KR Metalworks family and I are happy to support these events in any way possible. They are wholesome fun for the whole family, and are a great way to get out with the community. These events are great for the local economy too."
Kyle Burroughs	Squamish	"I think this is great to bring family together for these events and camping"
Darryl Puddicombe	Surrey	"I agree, that this event is great family fun !!!"
Jerri Harden	Chilliwack	
Kristy Dabels	Kelowna	"I'm an off-roading enthusiast and want to see more good venues for families to host events with camping"
		"This is a great family function, full of great people and my family will always be attending for as long as it's around"
Cody Marshall	Chilliwack	"Community oriented services. The way it should be."
chris narresh	New Westminster	"I hate seeing our local home town attractions get ripped away from the people only so the ones getting paid can build what's not needed!"
Dawn Harry	Garibaldi Highlands	"As a neighbour & local business owner I think these events add to our community."
Crystal Noa	Forest Grove	"Government sucks"
nelson Schmidt	Mesachie Lake	
Kathleen Hartard	Lac La Hache	"This is a great event that the local communities needs. The land owner/organizer is very conscientious about the neighbors in his area. I am all for supporting this great event and rezoning of the land"

Alex Crawford	Port Coquitlam	"It's a wicked place for events and having a camping area means no one is leaving intoxicated"
Don Kube	Kamloops	"It was an awesome event for the whole family"
Mildred Cunningham	100 Mile House	"I think it's an awesome event!"
Wendy Pinchin	Lac la Hache	"It's a great thing for the community period!"
Tim Lalor		"I love motor sports and believe that you should be able to do with your property as as you please so long as it doesn't impact daily on other neighbouring properties."
Trina Oling	100 Mile House	"It's a great idea!"
Marcus Pereira	Mission	"We love to travel to see the off road sports here - camping would make it even better."
Mary Romas	Hope	"Excellent for the economy in 100 mile house."
Rebecca Rekunyk	Williams Lake	"I am from the cariboo and happy to support new things . We need it badly all over the cariboo!"
Jen Joynt	Chilliwack	"The 100 Mile a horse power ranch is an awesome place to spend the weekend racing and visiting friends. When I'm in 100 Mile I get my groceries, coffee, and fuel for the weekend."
Jewel Bauder	100 ml house	"Good for the community"
Dave Horsman	Chilliwack	"Proud to support for our community to enjoy."
Patrick Woods	Vancouver	"I love racing"
Colby Seiz	Richmond	"I think this is needed in bc and many more should come it's a big industry and it's missing this"
Tricia Cale	Agassiz	"I have many friends who perform in this venue and is very important to many involved and they deserve to continue with it"
shawm cummings	mission	"I love this so much fun for the family"
August Dennis	Pitt Meadows	"We need more maintained outdoor space"
Tammie Sigmund	100 Mile House BC	"It is great to have something like this in our town. Always have fun when we go."
Emery Hunt	Vancouver	"I feel motorsports are something that is of a dieing art which teaches adults and children alike technical problem solving as a team. Most schools have removed automotive shops from the curriculum and without backyard projects and events that support them we will lose the long developed knowledge of engine and vehicle building."
Tina Robertson	Chilliwack	"I believe in this change!"
Robert Lee	Maple Ridge	"As a resident of the caribou region I see great value added to our area by allowing this project"
Vance Tyrrell	Kamloops	"I'm signing because I love this kind of stuff love riding my quad"
