

CRD EMERGENCY OPERATIONS

Emergency Operation Centre Activities 2023, October to December

Wildfire Response 2023 (Task # 23-2482)

- ***Conducting After-Action Review Series to Capture Lessons Learned***
 - Emergency Program Services staff are hosting a series of after-action reviews to capture lessons learned for improving future EOC response, procedures and coordination with external partners, neighboring jurisdictions, internal staff, contractors and the First Nation communities/Indigenous Governing Bodies with whom the CRD EOC consulted and coordinated during the 2023 wildfire response.

Long-term incidents

Incident Monitoring (DGIR 220747_No task #), Fuel Spill, EA A, March 2023, Monitoring Ongoing

- CRD EOC is monitoring a reported fuel spill in Electoral Area A, with updates from the responsible party and assisting agencies. Ongoing

Spring Flood 2020 (Task # 210182), Landslide SOLE Maintenance, EA A, Monitoring Ongoing

- SOLE remains in place for Electoral Area A and requires weekly renewals.
- Evacuation Orders due to landslide for properties in Electoral Area A remain in effect.
