

Kathie,

Thank you for your e-mail. Please see the written responses below:

Q: What are the expected revenues generated from the Age-Friendly Program?

A: The CFEC is a non-profit and does not charge end users any fees for services or supports. We will not experience any generated revenues.

Q: Was the \$7000 transferred to CFEC from the Age Friendly Society spent on wages for work on previous age friendly programs? The \$7000 was remaining Community Gaming Grant funds, correct?

A: Yes. The former Age Friendly Society dissolved and transferred all remaining funds to the CFEC as per requirements of the BC Society Act. As the CFEC has a 3 day a week paid position for the Age Friendly Program, we expended the funds within 3 months of receiving them.

Please let me know if you have any further questions or concerns.

Regards,

Chris Pettman MBA
