Short Summary:

Central Cariboo Search and Rescue Service Amendment Bylaw No. 5461, 2024

Voting:

Corporate Vote - Unweighted

Memorandum:

The existing CCSAR service establishment bylaw requires an update to reflect current service delivery, and Bylaw No. 5461 is presented to address that amendment.

In light of recent legislative changes (*Emergency and Disaster Management Act*), the delivery of this service should be discussed at an Emergency Preparedness Committee meeting as further, more significant changes may be required.

Alignment with Strategic Plan:

- Infrastructure and Asset Management:** To establish a systematic, predictable approach to managing the regional district's assets and infrastructure that builds on current asset management data and condition assessments.
- Enhanced Communications and Engagement:** To build trust and credibility of the regional district by enhancing our communications and engagement with citizens, stakeholders, and volunteers.

- ❑ **Effective and Responsive Land Use Planning and Development:** To ensure our land use planning and development is responsive to future growth and housing needs, anticipates risks and hazards associated with climate change and provides efficient and consistent processes for landowners and developers.
- ❑ **Relationships with First Nations:** To foster a healthy and inclusive region by building and strengthening our relationships with First Nations and embracing the principles of reconciliation.
