

Williams Lake Slo-Pitch League 2023 Report

The Williams Lake Slo-Pitch League had 31 teams in regular season play, approximately 750 members.

The league hosted five tournaments in 2023, our ice breaker tourney had 25 teams, field fundraiser 16 teams, the two-pitch tournament 12 teams, year end 21 teams, and our Kings and Queens tourney had 16 teams.

Our capital project funding was used to help finance part of our fencing and gate projects.

The first project of 2023 was to clean up and haul away debris left from logging in December 2022. We did several painting projects including the playground, out buildings, garbage bins, recycling bins, picnic tables, and dugouts.

We hired Kylar Enterprises to remove all the stumps in our common area as well as in our new parking area. And the last project was adding topsoil and sand to field number one.
