**Topic of discussion (please be specific and provide details and/or attachments if necessary):**

The Rotary club of Williams Lake is interested in establishing a seniors activity park located in the vacant green space immediately next to the Kiwanis Park located on Cameron Street. The Rotary club has been successful to secure \$20,000.00 thus far and will be making applications for further funding.  
 The goal is to secure support from the City of Williams Lake to create a Seniors activity park in this location and have it operational by late spring of 2024.  
 Rotary has had conversation with City staff, Seniors Centre and Accessibility group in Williams Lake and all are very supportive. Letters of support could be secured if needed. An aerial map of the site is attached.

**Desired Resolution if applicable (e.g. letter of support, funding request, etc.):**
