## Short Summary:

Tyee Lake Streetlight Service No Longer Needed

## Voting:

Corporate Vote - Unweighted

## Memorandum:

At its March 24, 2023 meeting, the Board resolved as follows:

*That the agenda item from Alice Johnston, Manager of Corporate Services/Deputy CAO, dated March 7, 2023, regarding a request from Director Forseth that up to \$5000 of Rural Feasibility Funds be authorized to study the feasibility of a new Streetlight Service for Tyee Lake residents, be received. Further, that the funds be authorized as requested.*

Recently, Director Forseth advised that on January 23, 2024 BC Hydro restored operation of the sole streetlight at the bottom of Lyne Creek Road/Highway 97 and since that was the sole intent of the proposed Streetlight Service for Tyee Lake, the proposed Streetlight Service is now moot. No further action needs to be taken, and none of the authorized funds have been utilized.
