## **Short Summary:**

NDIT Application – Roe Lake & District Recreation Commission Interlakes Hall Pickleball Courts

## **Voting:**

Corporate Vote - Unweighted

## **Memorandum:**

For the Cariboo Regional District Board's consideration, please find attached an application to the Northern Development Initiative Trust (NDIT) from the Roe Lake & District Recreation Commission. The request is for \$18,133 in funding under the Community Places stream to complete the final phase of the pickleball courts. A professionally applied plexipave surface coating will extend the life of the bare asphalt currently on the courts and fill low spots, cracks and divots.

Funding support for this project, which has a total value of \$26,632 is anticipated to come from Northern Development and Roe Lake & District Recreation Commission fundraising (\$8,500).

Prior to forwarding the application to NDIT for the Regional Advisory Committee's consideration, all Regional Development Account applications require a resolution of support from the local government within the jurisdiction.

## **Financial Implications:**

None directly for this application. Other funding contributions for the courts has been allocated in the Area L Community Halls financial plan and is also included in in the 2024 budget.

## **Policy Implications:**

Cariboo Regional District Policy No 2017-3A-33 (Northern Development Initiative Trust Application Policy) states: In the absence of knowledge of material legal, ethical, or other

improprieties, the CRD will support all applications to the NDIT for funding, without regard to the project's merit.

### **Alignment with Strategic Plan:**

- ☐ **Infrastructure and Asset Management:** To establish a systematic, predictable approach to managing the regional district's assets and infrastructure that builds on current asset management data and condition assessments.
- ☒ **Enhanced Communications and Engagement:** To build trust and credibility of the regional district by enhancing our communications and engagement with citizens, stakeholders, and volunteers.
- ☐ **Effective and Responsive Land Use Planning and Development:** To ensure our land use planning and development is responsive to future growth and housing needs, anticipates risks and hazards associated with climate change and provides efficient and consistent processes for landowners and developers.
- ☐ **Relationships with First Nations:** To foster a healthy and inclusive region by building and strengthening our relationships with First Nations and embracing the principles of reconciliation.
