Dear Mr. McMillan:

RE: Moving a Kootenay International Junior Hockey League Team to Williams Lake

The City of Williams Lake and the Cariboo Regional District's Central Cariboo Rural Directors Caucus are pleased to provide a letter of support for moving forward with the agreements and spaces required for the potential move of a KIJHL team to Williams Lake.

City of Williams Lake City Council considered the above matter at its regular meeting held February 13, 2024. Quoted hereunder is Resolution No. 73/24 as passed at that meeting.

"That pursuant to the February 7, 2024 report from the Director of Community Services, Council support the opportunity for discussion regarding the addition of an ice user group to Williams Lake and area (a Kootenay International Junior Hockey League team) and provide a letter of intent to the team indicating the City's desire to work with the potential new user group and determining the fit in the facility and the community; and further, that the Central Cariboo Rural Directors Caucus be invited to sign the letter of intent."

The signatures below confirm our commitment to this opportunity for Williams Lake and the Central Cariboo Region. We look forward to working with you and the Kootenay International Junior Hockey League to see if we can build this inquiry into a great opportunity for our community.

Should you have any questions in this regard, please do not hesitate to contact City of Williams Lake Director of Community Services Stacey Miranda at 250-392-1786 or smiranda@williamslake.ca.
