To the District of 100 Mile House, the Cariboo Regional District, and the South Cariboo Joint Committee

Re: Commitment to support in building the permanent Outdoor Rink

Hello,

This letter is to confirm that the Society is committed to helping the groups listed above in the building of the Outdoor Rink. We will assist in:

- applying for grants
- groundwork ie. Arranging for the donation of all or a portion of Excavator work and ground material
- Fundraising
- Donation of funds toward the project, that are currently held in the Society's account, which amounts to \$16000

Thank you,

John and Nadaya McNeil
