Please complete Schedule A – Eligible Project Categories and Sub-Categories

Desired Outcomes – Please explain the outcomes this project will achieve:

This project will involve installing new energy efficient furnaces Forest Grove Community Hall.

The new furnaces will replace the current approximately 30-year-old furnaces which have an efficiency value 60-70%. The new furnaces will have an efficiency value of 90-95%.

Proposed Measurement – Please outline indicators to measure outcomes:

- 1) That the new furnaces have an efficiency value of 95%.

Budget – Please complete Schedule A – See Attached Budget Outline

Timeline – Please provide a timeline indicating projected start date and completion date of project.

Start date: July 15, 2024

Completion date: October 31, 2024

Progress Reporting:

For projects under \$50,000 and less than one-month timeline, a progress report will be required at the completion of project.

For projects over \$50,000 and longer than one month, a progress report is required at monthly intervals before funds can be transferred to applicable budget.
