And To: Murray Daly, Chief Administrative Officer

From: Alice Johnston, Manager of Corporate Services/Deputy CAO

Date of Meeting: Cariboo Regional District Board_Aug16_2024

File: 3900-20-5461

Short Summary:

Central Cariboo Search and Rescue Service Amendment Bylaw No. 5461, 2024

Voting:

Corporate Vote - Unweighted

Memorandum:

At the January 12, 2024 Board meeting, an amendment to the CCSAR bylaw was presented for consideration of three readings; however, at that time it was resolved that a meeting be scheduled with the City of Williams Lake prior to giving the bylaw any readings.

Since that time, a meeting has been held with the City which revealed no concerns, and the bylaw is hereby presented to the Board for consideration of three readings. It is noted that the City will be asked for a Council resolution in support of this bylaw before the Board considers its adoption.

This bylaw amendment is an update to reflect current service delivery.

Alignment with Strategic Plan:

- Infrastructure and Asset Management:** To establish a systematic, predictable approach to managing the regional district's assets and infrastructure that builds on current asset management data and condition assessments.

- Enhanced Communications and Engagement:** To build trust and credibility of the regional district by enhancing our communications and engagement with citizens, stakeholders, and volunteers.
- Effective and Responsive Land Use Planning and Development:** To ensure our land use planning and development is responsive to future growth and housing needs, anticipates risks and hazards associated with climate change and provides efficient and consistent processes for landowners and developers.
- Relationships with First Nations:** To foster a healthy and inclusive region by building and strengthening our relationships with First Nations and embracing the principles of reconciliation.
