## Short Summary:

Lac La Hache Sewer Boundary Expansion Bylaw No. 5485, 2024

## Voting:

Corporate Vote - Unweighted

## Memorandum:

The CRD has been petitioned by owners who wish to have their property connected to the Lac La Hache Sewer Service. The petition has been certified sufficient, and the bylaw amendment is hereby presented for the Board's consideration of three readings.

## Attachments:

- 1) Bylaw No. 5485
- 2) Schedule "A" map

## Financial Implications:

The Lac La Hache sewer service is a large system; the addition of one property is insignificant financially.

## Policy Implications:

None

## Alignment with Strategic Plan:

- Infrastructure and Asset Management:** To establish a systematic, predictable approach to managing the regional district's assets and infrastructure that builds on current asset management data and condition assessments.
- Enhanced Communications and Engagement:** To build trust and credibility of the regional district by enhancing our communications and engagement with citizens, stakeholders, and volunteers.

- ❑ **Effective and Responsive Land Use Planning and Development:** To ensure our land use planning and development is responsive to future growth and housing needs, anticipates risks and hazards associated with climate change and provides efficient and consistent processes for landowners and developers.
- ❑ **Relationships with First Nations:** To foster a healthy and inclusive region by building and strengthening our relationships with First Nations and embracing the principles of reconciliation.
