At the May 1, 2024 meeting of the Parkland Recreation Commission; the commission passed a motion to close down the Ten Mile Lake Community Center. This motion carried. At our subsequent meeting on June 10, 2024 we passed a motion which read “that the PRC give 3 months notice on Oct 1, 2024, so that our contract with the school district will end Dec. 31, 2024”. This motion carried.

The PRC is thereby requesting the CRD to do the same, to complete termination of the agreement.

Thanking you in advance, for your cooperation with this matter.
