2025 Business Plan Solid Waste Management Plan (1009)

Tera Grady, Manager of Solid Waste

Working in partnership with communities large and small to offer local, sub-regional, and regional services to ensure that the Cariboo Chilcotin is a socially, economically, and environmentally desirable region.

Department/Function Services

The Solid Waste Management Plan function was established to finance the development of Solid Waste Management Plans, which are required every ten years. The function also funds plan amendments and jointly funded services, such as the recycling hotline and reduction and reuse promotion.

Taxation is collected by way of assessment of land and improvements and the level of taxation is regulated by overall costs provided in the Solid Waste Management Plan.

All members of the Board are responsible for the governance of this service.

Business Plan Goals, Objectives & Strategies

2025

Goal: Review 1009 function revenue contribution amounts. 2020 – 2023 SWMP was primarily funded with Community Works Funds.

Measuring Previous Years Performance

2020 -2023 Goal

Goal: Initiate and complete the next Solid Waste Management Plan (SWMP) update.

Status: Completed, but not approved by Ministry of Environment as of end Oct. 2024.

Significant Issues & Trends

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter and has committed to continuing work towards carbon neutrality in respect of corporate operations.

Overall Financial Impact

The service currently has a projected surplus of \$8,876 for 2025.
